Overweight

Meaning:

Overweight means a person or animal has more body weight than what's healthy, like carrying extra heavy bags all the time.

Sentence Example:

Tom's cat is overweight, so it has a big round belly and moves slowly."

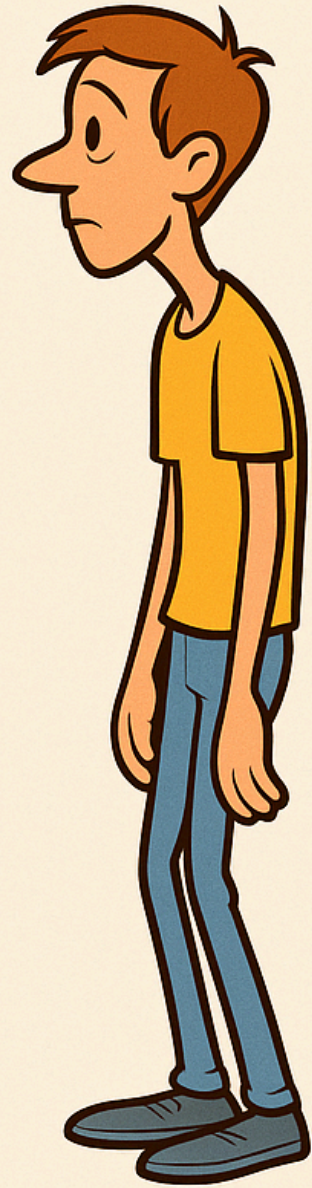

Fit

Meaning:

Fit means your body is strong, healthy, and full of energy so you can run, jump, and play easily.

Sentence Example:

My dad goes jogging every day, so he is very fit and can play soccer with me for a long time.

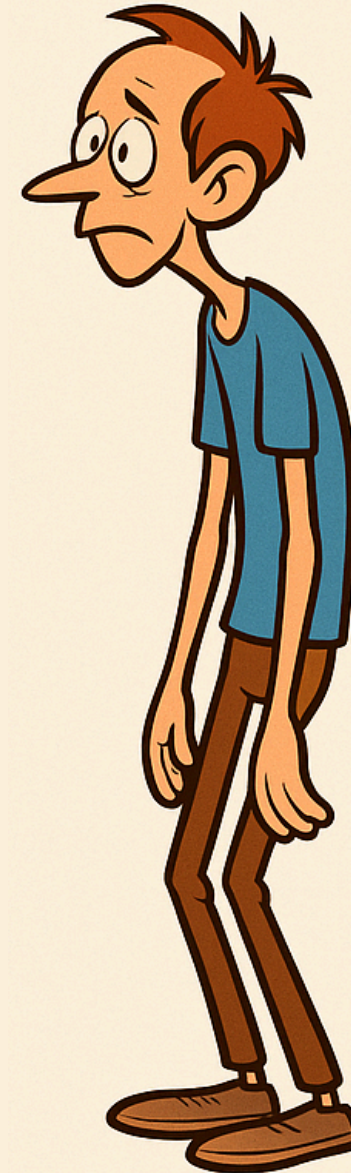

Skinny

Meaning:

Skinny means very thin, with little fat or muscle.

Sentence Example:

The skinny dog could slip through the small gap in the fence.

Scrawny

Meaning:

Scrawny means very, very thin and weak-looking, like having tiny arms and legs.

Sentence Example:

The scrawny tree in the garden had only a few small branches and looked weak.
